MENORANDUM FOR: The Commanding General

The Ground General School Center

Fort Riley, Kamens

ATTENTION:

Captain William L. Riles, Infantry

SUBJECT

Request for Guest Species

- 1. It is noted in your letter of 25 August 1949 that a speaker from the Central Intelligence Agency is desired for a lecture on "Subversive Activities in the United States."
- 2. The Central Intelligence Agency's functions are limited to those areas cutside the United States and its possessions, and, therefore, it would be impracticable for us to send a speaker to deal with the lecture suggested. That subject is particularly the province of the Pederal Bureau of Investigation as well as the counterintelligense elements of the Army and Navy.
